Volunteer to help biologists count as many plants, animals, fungi and any other organisms we can find within 24 hours.

Saturday, Sept 6  3pm – Sunday, Sept 7  3pm
Old Ozark Mountain Smokehouse
West Martin Luther King, Jr., Boulevard
Fayetteville

Join botanists, entomologists, ornithologists and others to document the biodiversity on one of Fayetteville’s true conservation gems.

All volunteers are welcomed.

No experience required!
